Dear Reader,

Are you a B.Tech/B.E holder in any engineering discipline (say Electronics Engg) ? Have you ever thought of getting an additional degree in engineering (say Civil) even without attending any regular college classes? This is possible through AMIE. Please read below for its details. The procedure is very simple.

Who is eligible?

Before you read further, it is to be mentioned that, this scheme is applicable only for B.Tech/B.E (or higher) holders from recognized university, (no mark restriction). So, if you are not an engineering graduate, please stop reading because it is not for you!

The IEI

Heard of IEI? The Institution of Engineers (India) Kolkata, is the largest professional body of engineers in India. The official website if IEI is www.ieindia.org. The IEI started non-formal engineering education programme in 1928. It has been established to promote and advance the science, practice and business of engineering. It is the authority that prepares syllabus, conducts examination and issue certificates etc. of AMIE. Jyothis Academy is not an agency but a coaching center for AMIE exam. Apart from regular and postal coaching, we help students' community in arranging AMIE admission.

What is AMIE?

AMIE is the only way through which one can study engineering in the distance education mode and get a **Recognized** Engineering Degree. AMIE stands for **Associate Member of Institution of Engineers**. It is membership or professional status conferred by the IEI. The membership is given on the basis of one's academics. B.Tech holders are eligible to get this membership (called AM membership or AMIE). They will get AM membership in the same branch of their B.Tech.

But, if they want AM Membership in different branch of engineering, they have to sit for AMIE Section B examination. It is a degree level examination in engineering conducted by the IEI.

That means, AMIE holders will get equal opportunities for job as well as higher education, just like a B.E or B.Tech holder.

Recognition

The AMIE is recognized in India an abroad as equivalent to B.Tech/B.E by

PSC, UPSC

Govt. of India

All State Govt. in India

AICTE etc.

Anyone who holds AMIE will be considered as a B.Tech or B.E holder in the branch of engineering concerned. Hence, once who completes AMIE can try for job in either Govt. or private sector just like any other B.E or B.Tech graduate. He can enjoy all benefits of other graduate engineers. After AMIE, you are eligible for GATE examination and can go for any higher studies.

Two Choices.

A B.Tech holder has two choices.

1. Get AMIE in the same branch of your B.Tech/B.E
2. Get AMIE in additional branch.

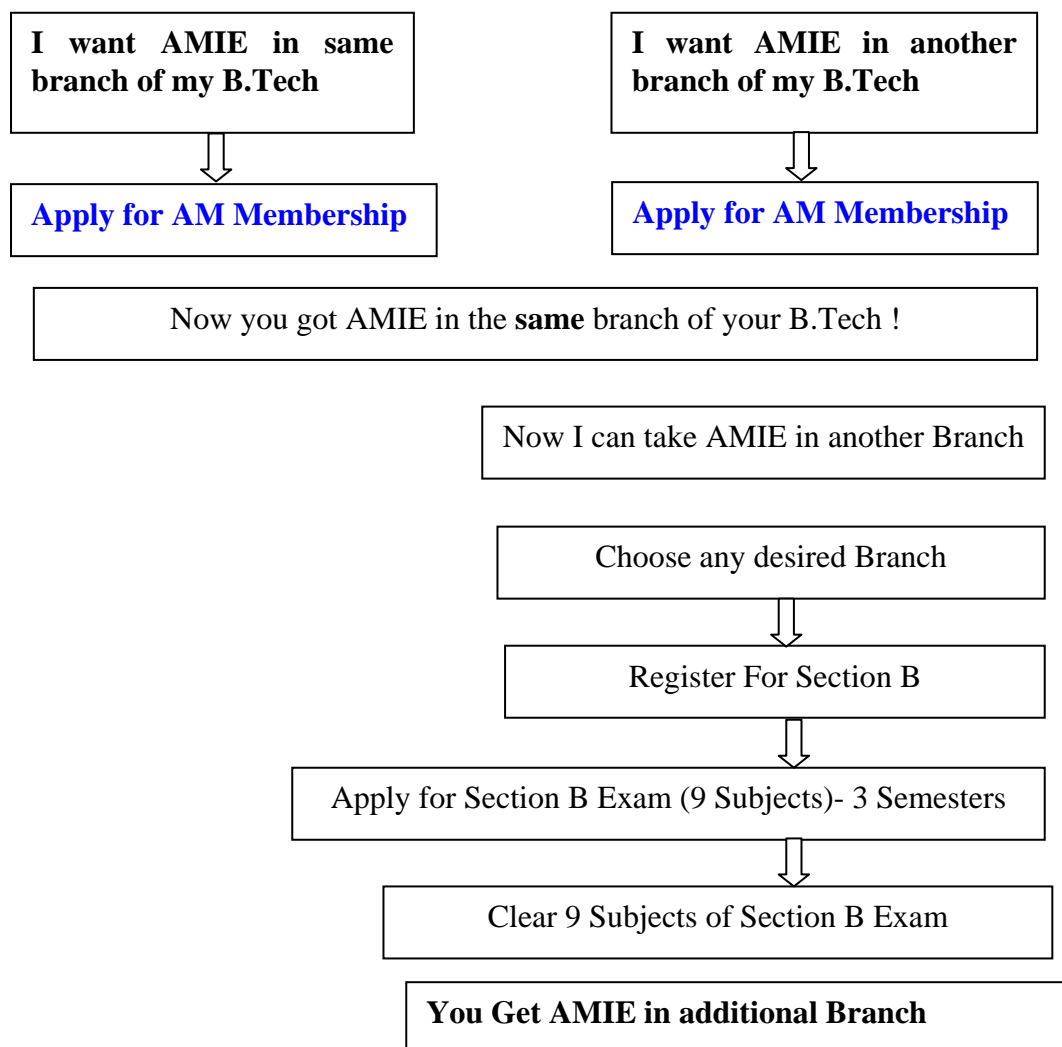

If you choose the first category, then you don't need to write any examination. For example, suppose you are a B.Tech holder in Civil Engineering, you can get AMIE in Civil Engineering without writing any examination. You will just have to apply for membership with specified fees.

But if you would like to get AMIE in an engineering branch other than your B.Tech, then you have to clear certain number of (say 9) subjects in Section B examination of AMIE.

Whatever may be your choice, first you must register for AM membership. The application form for which is attached herewith.

Documents Required (AM Registration)

1. **Self attested copy of B.Tech/B.E final pass (provisional) certificate.**
2. **Self attested copy of final year marklist of B.Tech/B.E**
3. **Self attested copy of your Secondary School certificate (showing your date of birth)**
4. **Two passport size photograph to be pasted on application form**

Membership

The services and benefits of IEI is offered only to its members. Hence in order to appear for AMIE examination, one has to become a member of IEI. This membership is called AM membership. Anyone who got membership becomes eligible for appearing AMIE examination. The membership/admission/Enrollment is given to ALL who meet the stipulated eligibility criteria.

B.Tech/B.E holders can apply for AM membership.

SYLLABUS- Section B

After getting your AM membership, you may now choose a desired branch of engineering from the below list and apply for Section B registration.

The syllabus of AMIE examination is more or less similar to B.E/B.Tech.

Following are the engineering branches available.

1. Electronics and communication Engineering
2. Electrical Engineering
3. Computer Science and Engineering
4. Civil Engineering
5. Mechanical Engineering
6. Production Engineering
7. Chemical Engineering
8. Materials and Metallurgical Engineering
9. Mining Engineering
10. Textile Engineering

Of the above 10 engineering branches available, a student can choose ANY branch as he wishes. This is one of the attractions of AMIE. For example, a student studied B.Tech Automobile can choose Computer Science or Electronics etc in AMIE Section B!!!!

There are **9 subjects in Section B**. Of this 9 subjects, 6 are compulsory and 3 are optional. In order to impart practical knowledge, the Institution of Engineers has included project work and lab experiments as part of section B syllabus.

The project work may be done in the same firm/company where the student is presently engaged in. For doing laboratory experiment, the Institution of Engineers will contact the authorities of some engineering college/similar technical institution nearest to the location of the student and make necessary arrangement.

DURATION

Another feature of AMIE is its flexibility in completion time. Apart from conventional courses, the AMIE doesn't have a fixed 'completion time'. However 6 years are available for clearing all subjects in Section B.

EXAMINATION

AMIE examinations are conducted in every June and December. The examination is written-type and is of 3 hour duration: The examinations are conducted in all major cities in India and Gulf Countries.

Those who want to take AMIE in a branch other than their B.Tech-branch must appear for AMIE Section B examination in that branch of engineering. There are 9 subjects. The syllabus can be downloaded from www.amieindia.in.

How to Study

The IEI doesn't take any responsibility for teaching you!. The IEI will conduct examination and will issue certificates that's all. Students must find their own way to study the subject to prepare well for examination. Since AMIE is a degree level examination, a peripheral knowledge on the subject will not be sufficient for scoring pass mark in the exam.

Jyothis Academy at its Kochi & Kottayam study centers provide coaching for AMIE Section B examinations. Our faculty highly experienced in AMIE teaching offer

- (a) Regular full time class
- (b) Part time classes (On Holidays)

AMIE Postal Coaching

Jyothis Academy provides postal coaching for Selected branch of engineering. For details please visit our website www.amieindia.in.

EXPENSE

AM Registration Processing Rs 5500/-

Total Fee For Addition Branch Rs 14000/- (as Section B registration, Exam fee Lab Fee, Payable in instalments)

Students should first apply for AM Registration. Fee for additional branch need to be paid only after getting AM registration.

Payment Modes

1. Mobile Payment/UPI. Our VPA is **amie@sbi** . You may also user QR Code shown below.
2. Cheque/DD drawn in favour of “Jyothis Academy”, payable at Kottayam.
3. Online transaction our SBI Account.
4. By Cash deposit (Please add Rs 50/- extra for bank commission).

After Online transaction or Direct bank deposit, your details may be forwarded to us by filling online form available in our website

(http://www.amieindia.in/order_form.php).

Military personnel (or ex-servicemen) should mention: i) Present Rank (Last held rank for ex-servicemen), ii) Actual date of commission and (iii) personal number

4.0 Choice of Engineering Discipline/Division*: _____

Note 1: A Member can't be attached with more than one Engineering Discipline/Division.

Note 2: An Applicant should not opt for the Engineering Division in which he/she wants to appear as additional branch in Section B Examination of the Institution.

5.0 Declaration*:

1. After having fully understood the Information and instruction as given in the Annexure, I hereby apply for election as an **Associate Member** of the Institution of Engineers (India) in accordance with the Charter of Incorporation and the Bye-Laws as they now are at IEI website www.ieindia.org or as they may be legally altered hereafter.

I further declare that before exercising the option to apply for Membership, I have fully and carefully perused and acquainted myself with, all the clauses and contents of the Royal Charter, Bye Laws and Regulations of the Institution (available on the Website i.e. www.ieindia.org). Accordingly, while applying for Membership, I also voluntarily agree and give my free consent to allocate all one time Life Compounding Fees, Composite Subscription and Journal Fees, to be paid by me, as part of Permanent Reserve Fund (Corpus Fund) of The Institution of Engineers (India), provided in Clause 108 of the Bye Laws.

2. I also do hereby undertake that in the event of my election as an **Associate Member**, I will be governed by the Bye-Laws and the Regulations of the Institution as they now are or they may hereafter be legally altered and that I will accept as final and binding the decisions of the Council in all matters dealt with by them in accordance with the provisions of the Charter, Bye-Laws and Regulations, and will forthwith cease to describe myself as an **Associate Member** or to designate myself as belonging to the Institution in any other form, on receipt of a notice from the Secretary and Director General that acting under the powers conferred upon them by the Bye-Laws and Regulations the Council have declared myself to be no longer as an **Associate Member** of the Institution. I further undertake that I will promote the objects of the Institution, as far as may be in my power, provided that whenever I shall signify in writing to the Secretary and Director General that I am desirous of withdrawing from the Institution, I shall after the payment of any arrears which may be due by me at that period be free from this obligation.
3. I have noted that the decision of the Council of the Institution shall be final in granting the Membership and the District Court at Alipore, 24 Parganas (South) shall have the exclusive jurisdiction in settlement of the dispute, if any, arising out of this Membership.
4. I accept the responsibility for the accuracy of the particulars contained in the Application Form with regard to my qualifications and experience and agree that if I am elected, the validity of my election shall depend upon the accuracy of such particulars as required in the Bye-Laws. I hereby give my full consent to include my name and contact info as they are now or may be altered hereafter in all the directories/lists of members as deemed fit by the Institution and also authorise the Institution for publishing it to any individual/organisation for any purpose whatsoever. I also undertake to abide by Professional Conduct rules and/or Code of Ethics that the Council may frame from time to time.

Yours Faithfully,

Date:

Signature of the Applicant

6.0 Supporter*: From personal knowledge of the Applicant and in consideration of his/her qualifications, I recommend him/her to the Council as being in every way a fit and proper person to be admitted to the Institution as an Associate Member.
